

Bodegas Valdecuevas Flor Innata Verdejo 2020 D.O. Rueda

Country: Spain

Region: D.O. Rueda

Grapes: 100% Verdejo

Several factors are involved in achieving the excellent quality of Valdecuevas wines, first of all constant care and personal style, followed by the goodness of the Castilian terroir and the local Savoir Faire and finally, the use of state-of-the-art technology.

This wine is made from an amalgamation of grapes from different parcels, all of which are located within a distance of no more than 4 kilometres from the winery. We seek a balance between a classic Verdejo and a modern Verdejo, with a background of tropical fruits and high aromatic intensity.

COLOUR

Straw yellow, with lemony nuances.

AROMA

High aromatic intensity, tropical fruit with a spicy and aniseed background characteristic of this grape variety.

TASTE

On the palate, full, unctuous and very pleasant.
